Dear FOIA Officer: This is a request under the Freedom of Information Act. On behalf of InsideClimate News, I'd like to request a copy of the Navy's Shipyard Infrastructure Optimization Plan, which the Navy submitted to Congress in February, 2018, along with any appendices, notes, letters or other attachments to the report. If you decide to withhold any exempt portion of the documents, please release all other segregable parts. If you withhold any record or portion of a record, please specify which statutory exemptions are claimed for each withholding. Please describe each record withheld, including its date and size (e.g., amount of electronic memory or number of pages). In order to help determine my fee status, you should know that I am a representative of the news media. InsideClimate News is a nonprofit news media organization, and release of the requested information will inform the public and serve the public interest. I agree to pay any search, review, or duplication fees up to \$100. Please inform me if filling the request will generate fees greater than that before processing. As I am making this request as a journalist and this information is of timely value, I would appreciate your communicating with me by telephone, rather than by email, if you have questions regarding this request. If you have any questions you can reach me at 917-719-0671, or by email at [nicholas.kusnetz@insideclimatenews.org](mailto:nicholas.kusnetz@insideclimatenews.org).
